### *Be It Officially Noted That*

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

**Validation of Course** — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

*This certification expires on December 31 in the year 2024*

# Vancouver Sun Run 2015 - April 19, 2015

Measured by: Paul Adams, Grade "A" and  
Geoffrey Buttner, Grade "C"

Athletics Canada Certified

BC-2014-140-BDC

Certification Expires Dec. 31/2024

**Notes:**

This event is a very large 10km run with close to 60,000 participants. Throughout the course runners are allowed full use of both sides of the roadway. The shortest possible route was measured. The course was remeasured in 2010 and 2015. The 2015 measurement showed very minor changes due to road realignment.
