## Steveston Icebreaker 8 km

Start/Finish line is on the dike path just E of the S end of #1 Road in Steveston village. The actual Start/Finish line is the seam in concrete path at the base of the light post approximately 9m W of the steel structure, “Skeleton of a net shed”.

The course Starts and Finishes at the same place. It follows the dike path to the S foot of #3 Road and returns on the left side of the roadway parallel to the outward route. North is generally indicated by the arrow.

The halfway point is located at the junction where a path splits from the dike path to circle around the end of the parking lot located at the S foot of #3 Road.
