Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

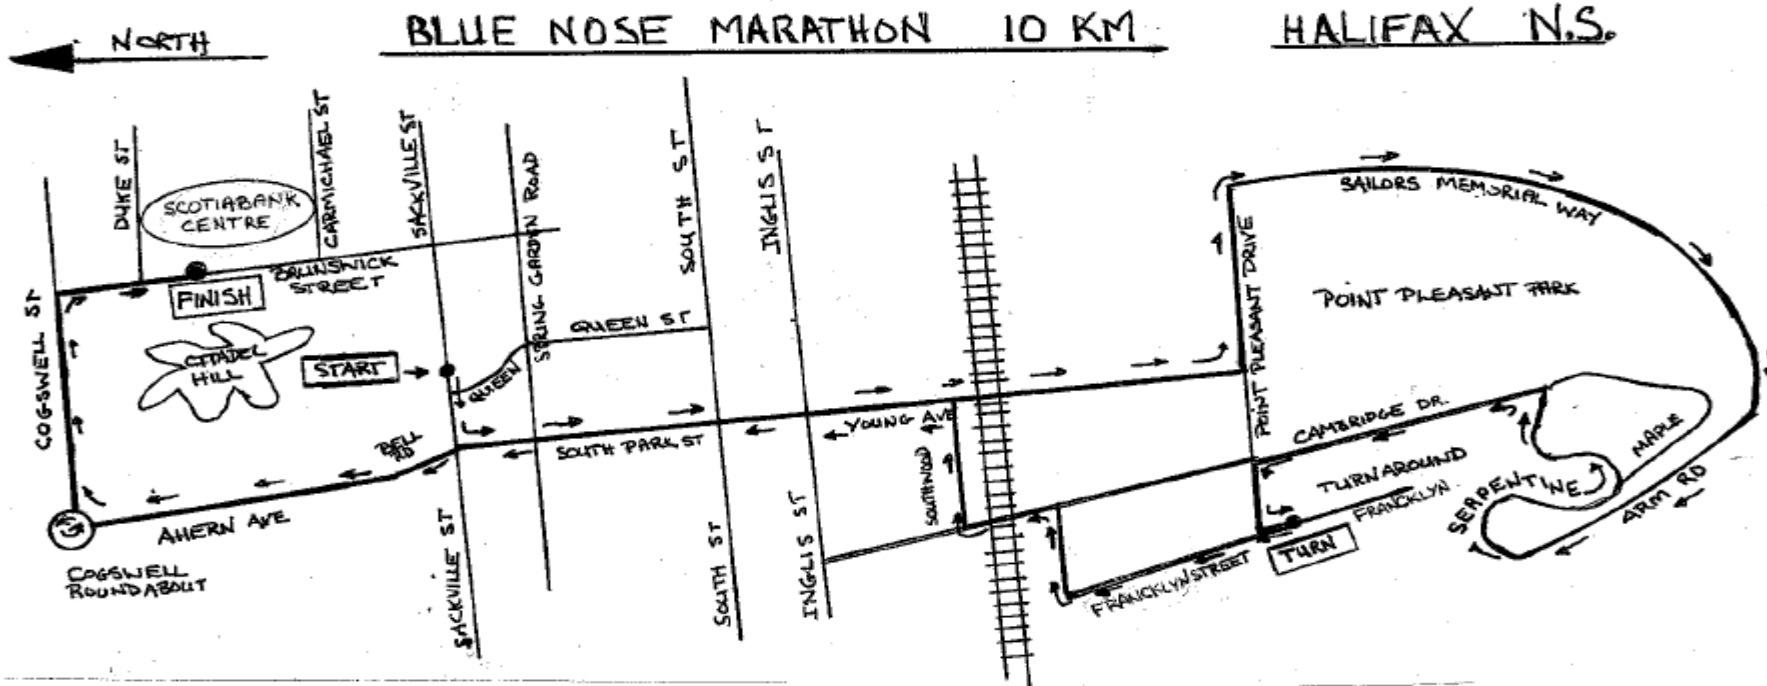

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

The Blue Nose Marathon 10 KM START is on Sackville Street in Halifax on the south side of Citadel Hill just east of the intersection with Queen St.

During the 10 KM the police will have rolling road closures for the participants. The participants proceed west from the start and turn left onto South Park St. They run south on South Park and continue straight onto Young Avenue facing traffic down to Point Pleasant Drive where they turn left and then right at the bottom and enter Point Pleasant Park on Sailors Memorial Way and continue keeping to the right on Arm Road and continue until turning right onto Serpentine Road taking the second leg of the "Y" continuing on Serpentine Rd and they turn left on Cambridge Dr. exit the park, and they turn left onto Point Pleasant Drive and head down the hill turning left onto Fracklyn Street where the TURNAROUND is located. They turn around and head back north along Fracklyn, turn right onto Pinehill Dr, left onto Tower Rd, right onto Southwood Dr, and left onto Young Ave. They stay west of the medians while heading north on Young Ave facing traffic. They then go straight along South Park heading north facing traffic and they run diagonally across the intersection of South Park St, Sackville and onto Bell Rd. They are now proceeding 'with' traffic flow. They turn right onto Ahern Ave., around the Cogswell St roundabout, keeping right, turn right onto Cogswell St and right onto Brunswick St where they go to the FINISH LINE located in front of the Scotiabank Center on the east side of Brunswick St.

The START LINE is marked by an imaginary line that runs perpendicular across Sackville Street 19.8 east from the east edge of a rectangular steel gutter storm drain cover. The Start Line is just slightly east of the intersection with Queen St. Curb marked with orange spray paint.

The TURNAROUND point is located 2 meters from the east curb on Fracklyn Street. It is located on an imaginary line projected across Fracklyn Street. The line runs perpendicular across Fracklyn Street and is located 31.8 meters south of the fire hydrant located just to the right of the driveway of civic address 480 Fracklyn Street. The turnaround is marked with a PK nail and orange spray paint.

The FINISH LINE is located on Brunswick St. near Duke St. in front of the north-west entrance of Scotiabank Center. There are eight sets of double doors (16 doors total) on the Brunswick St entrance near Duke St. The finish line is in line with an imaginary line that is extended from the center of door 5. It is also 3.251 meters north of an accessible parking sign on the east side of Brunswick St. The finish line is marked by orange paint on the curb.
