Course Information

Start elevation 2 m Finish elevation 2 m

Elevation change 0 m/km Percent separation 1%

Measurer Information

Measurer name Geoffrey Buttner 604-218-9142 gbuttner@hotmail.com

Measurement date April 1 and May 18, 2019 Expiry date December 31, 2019

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Summerfast 10K

Athletics Canada Certified
 BC-2019-020-DRY
 Certification Expires Dec 31, 2028

Notes:

- The course is run on the pedestrian paths of Stanley Park and Devonian Park.
- The course was measured on the paths using the shortest possible tangents, while adhering to the 30 cm curbside rule.
- The certification is not valid if the course is not set out in accordance with this map.
- Map and detail areas not drawn to scale.

Start Line Details

The start line is located in Ceperley Meadow on the pedestrian Path, 28.3m north of the northern edge of a water drain located between the bike and pedestrian paths in the grass. The start line is marked with a nail and washer.

Finish Line Details

The finish line is located in Ceperley Park on the path parallel (and west) to Stanley Park Drive. It is 38.7m north of the center point of the electrical box at the path intersection. The line is 7.2m south of a water drain situated in the grass beside the path. The finish line is marked with a nail and washer.

Runners are restricted to the pedestrian paths while on the Seawall. Course was measured using the shortest possible route.

Turn Around Details

The turn around is located at the eastern end of Devonian Park at the end of the path divider. It is 30.1 m west of the restaurant wall and north of the end of Denman St.
