Measurer name _____
Measurement date _____ Expiry date _____

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

As Nationally Certified by

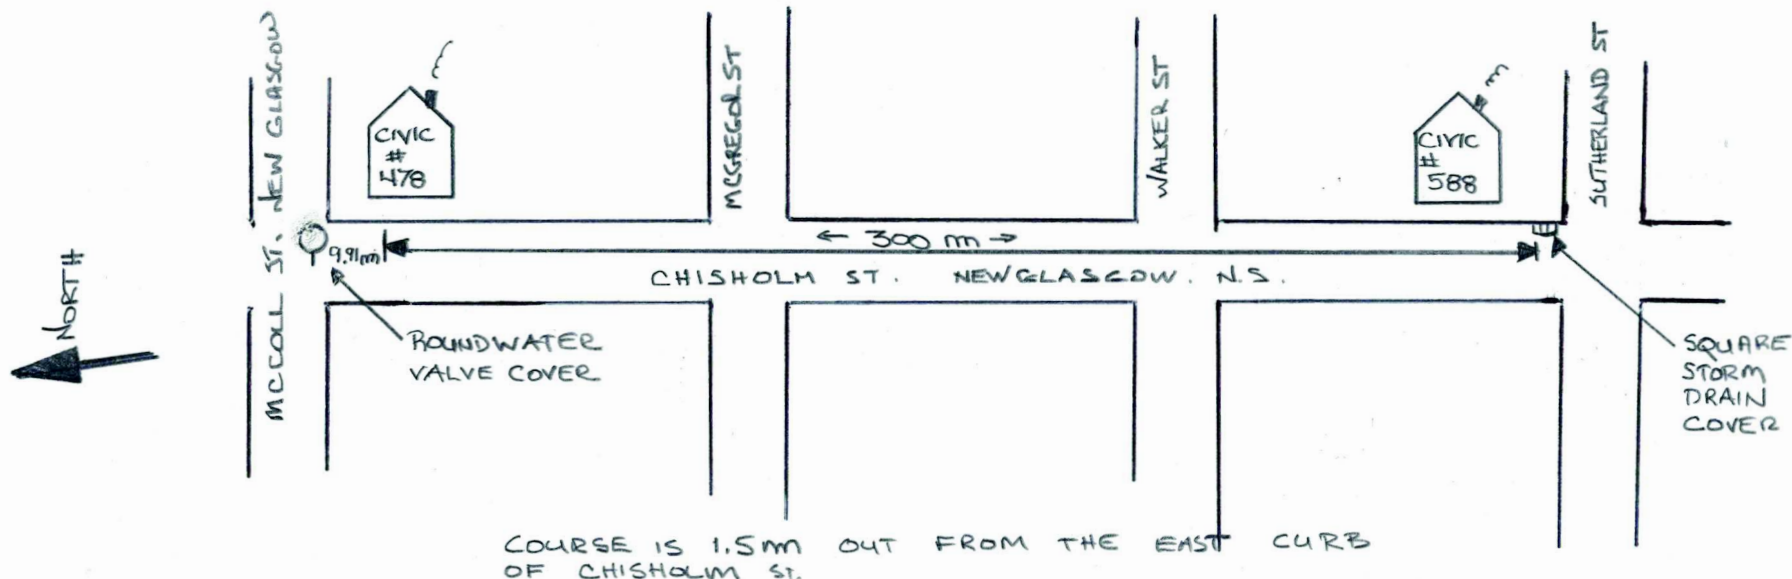

Signature of certifier  Paul T.B. Adams _____ Date _____

CHISHOLM ST 300 M CALIBRATION COURSE NEW GLASGOW NOVA SCOTIA

The Chisholm Street 300 Meter Calibration Course is located in New Glasgow Nova Scotia. It runs in a North/South Direction on Chisholm Street. Chisholm Street is a straight street. The course is located approximately 1.5 meters from the east curb. The south end of the course starts a few meters south of civic address #588 just before Sutherland St intersection. The start is in line with the north edge of the square storm drain that touches the curb. The start is marked with a PK survey nail and orange marking paint.

The course runs along Chisholm Street and goes through the intersections of Walker Street and McGregor street and ends in front of civic address #478 just before the McColl Street intersection. The end is marked with a PK Survey nail and orange marking paint. The end is approximately 1.5 m out from the east curb of Chisholm St and is an imaginary line running across Chisholm Street that is exactly 9.91 meters south of the center of the round water valve that is on McColl St.
