### Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

### Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

**Notes:**

- The course starts on 272<sup>nd</sup> St., turns west on River Rd to the turn-around and finishes on River Rd, approaching 272<sup>nd</sup> St.
- The course was measured on the streets using the shortest possible tangents, while adhering to the 30 cm curbside rule
- The course is laid out on a 2-lane road (one lane each direction).
- Runners are restricted to the eastbound lane from the start to the turn-around and to the westbound lane from the turn-around to the finish.
- From the turn-around point extending approximately 2km to the west the road surface has no painted center line. There is however a discernable seam in the asphalt that forms a center line on the street. Runners are to keep to their side of the course. This will be managed by the Race Director.
- The certification is not valid if the course is not set out in accordance with this map.
- Map and detail areas not drawn to scale.
