Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Elite Mission Raceway Half Marathon

This course was established at the Mission Raceway grounds to allow elite runners to compete during COVID 19 in an isolated, controlled setting. Full and Half Marathon and 10 km distances have been established. The initial competition is scheduled for March 26, 2019. The half marathon consists of 8 loops of the Mission Raceway perimeter road plus 531.6 m

The sharp corner at the west end of the loop is rounded to a 15 m radius curve. Cones or barriers are to be set on the curve to ensure that runners follow the prescribed route. A course marshal may be needed at this point to ensure compliance. Runners can follow the shortest route elsewhere on the course.

Start Line Detail

The start is located between two parking stalls in between the road and the race track. 1.9 m west of stall 88 and 4.6 m east of stall 89. It is marked on the south edge with a nail and washer. The detail is looking south.

Finish Line Detail

The Finish is located 30.00 m east of the stop sign and approximately in line with the asphalt section to the north. The location is marked with a nail and washer on the south edge of the roadway.
