Name of the course _____
Certificate number _____ Distance _____ Race date _____
City _____ Province _____
Race contact name _____ Race contact email _____

Course Information

Start elevation _____ Finish elevation _____
Elevation change _____ Percent separation _____

Measurer Information

Measurer name _____
Measurement date _____ Expiry date _____

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

As Nationally Certified by

Signature of certifier _____ Date _____

Any inquiries regarding this certificate should be directed to coursemeasurement@athletics.ca

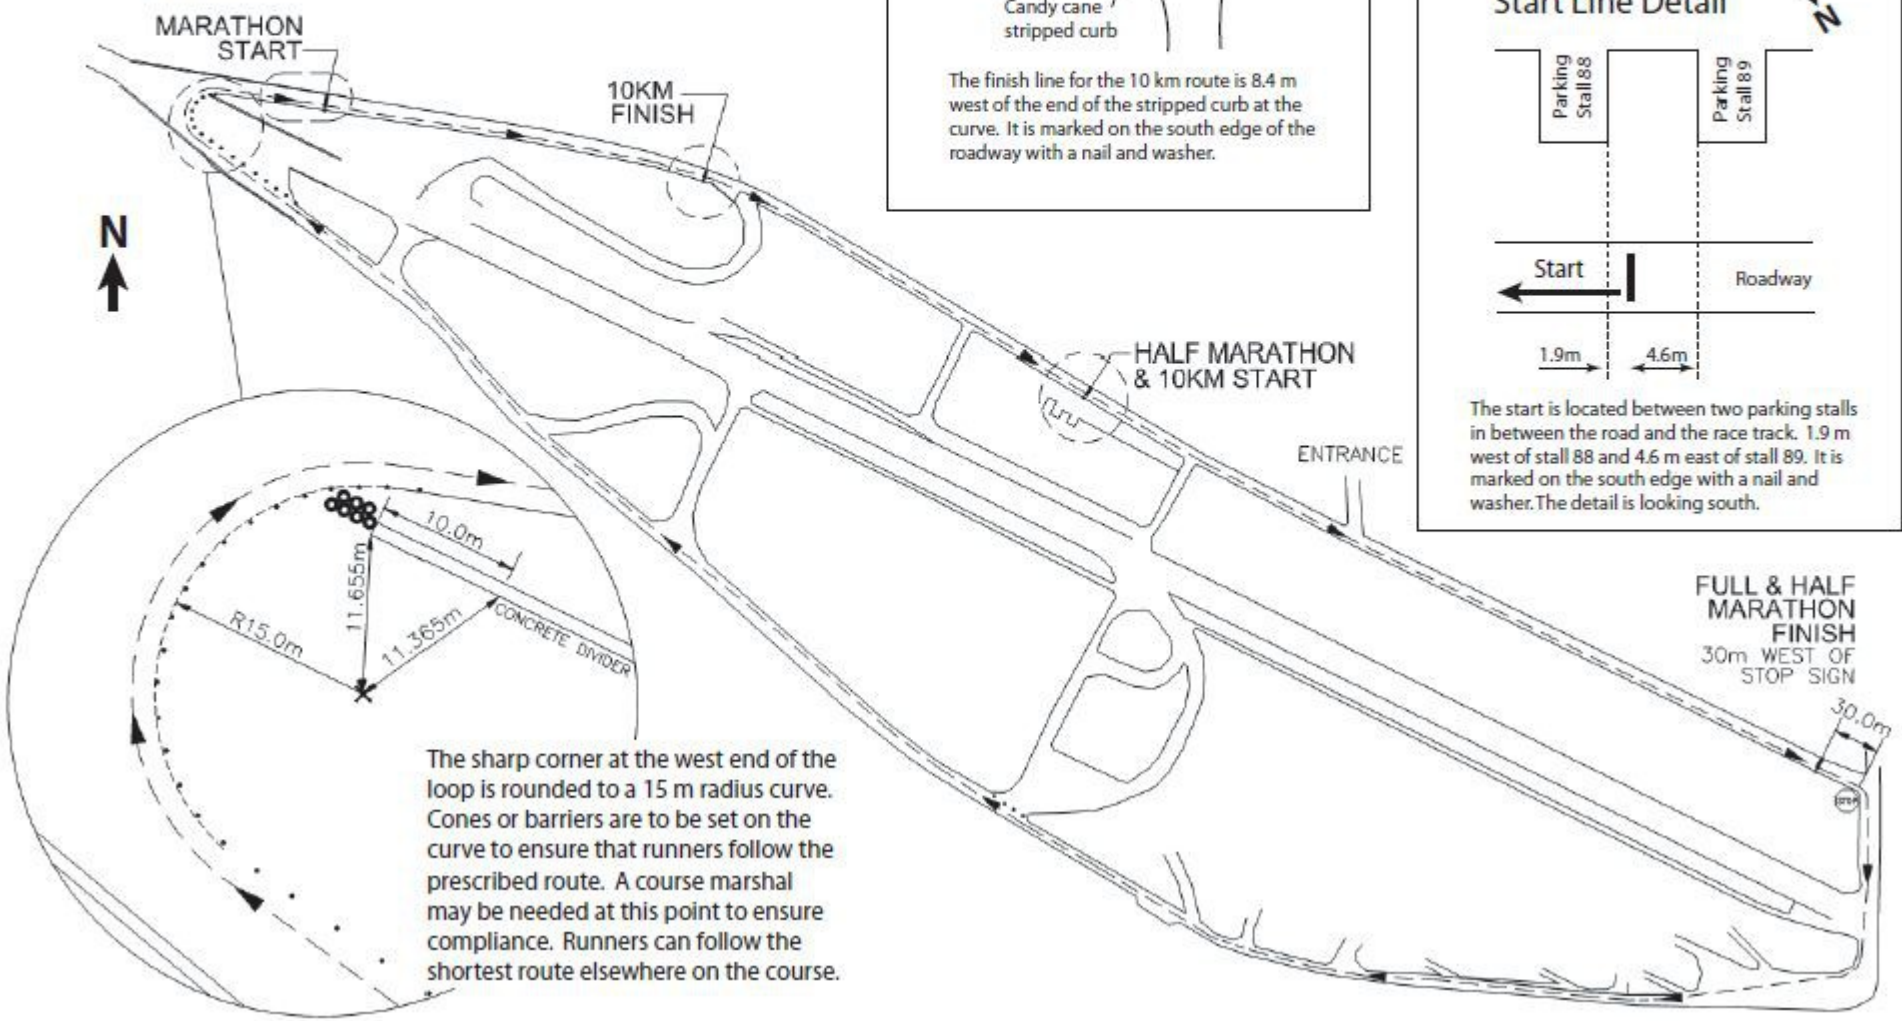

Elite Mission Raceway 10 km

This course was established at the Mission Raceway grounds to allow elite runners to compete during COVID 19 in an isolated, controlled setting. Full and Half Marathon and 10 km distances have been established. The initial competition is scheduled for March 26, 2019. The 10 km course is less than 4 complete loops of the perimeter road by 282.9 m.

Athletics Canada Certified
BC-2021-003-BDC
 Certification Expires Dec. 31/2030

The sharp corner at the west end of the loop is rounded to a 15 m radius curve. Cones or barriers are to be set on the curve to ensure that runners follow the prescribed route. A course marshal may be needed at this point to ensure compliance. Runners can follow the shortest route elsewhere on the course.
