Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course which results in a course that is less than the stated distance, this certification becomes void, and the course must then be re-certified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Half Turnaround

50 km/h sign
 4.66m
 Eastbound lanes SW Marine Drive
 13.64m
 Mail Box

The half turnaround is in the eastbound traffic lanes of SW Marine Drive, 4.66m west of the 50 km/h sign that is on the north side of eastbound lanes and 13.64m west of the centre of the Canada Post Mail Box. It is about 270m east of the Kullahun Drive. Marked with nail and washer on the north side.

Half Marathon Finish Line Detail

The finish line is located in front of the Vancouver Museum at the west edge of the cross walk that is directly in front of the building and is leading from the main parking area

Half Marathon Start

The half marathon start and the 5km start and finish is on NW Marine Drive, in line with the east edge (at the joint in the curb) of the path west of Dene House and about 120m east of Agronomy. Runners have full use of the road from the start/finish to the divided section of SW Marine, both outbound from the start and inbound from the turnaround. It is marked with a nail and washer on the north side of the roadway.

- Notes:**
 Map is not drawn to scale
 Runners have full use of the road, except:
- 1 On SW Marine Drive from the north end of Old Marine to the Kullahun runners are on the north side when going southeast and on the south side when going northwest.
 - 2 From Kullahun to the turnaround runners are restricted to the left half of the eastbound lanes in both directions.
 - 2 On NW Marine Drive runners move to the left side of the median before turning at Chancellor (they are following the shortest possible route)
 - 3 On 4th Avenue runners are restricted to the two north lanes (they are following the shortest possible route)
 - 4 On Cornwall from Macdonald to Arbutus runners are restricted to the westbound traffic lanes.
