Use this Certification Code in *all* public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by Athletics Canada/Run Canada. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a measurer recommended by Athletics Canada/Run Canada. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be canceled.

Automatic Expiration — This certification automatically expires ten years after date of issue.

This Certification expires on December 31 in the year **2016**
