Replaces (if applicable)

Notice to Race Director
Use this Certification Code in *all* public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by Athletics Canada/Run Canada. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a measurer recommended by Athletics Canada/Run Canada. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be canceled.

Automatic Expiration — This certification automatically expires ten years after date of issue.

This Certification expires on December 31 in the year **2017**

AB-2007-031-BDC

From the start line on 55th Street at 42A Ave to the finish line on 42A Ave near the access road to Lindsay Thurber High School, all corners will be coned and marshalled.

All split locations (each km & mile out/remains) are marked with a pk nail & washer, painted and referenced to a permanent object.

Course Measurer: Marcel LaMontagne 403-874-1185

Course Measured: May 5, 2007

Directions: From the start the runners head east and then turn right on to 45 Ave. After crossing under 67 St. the runners take the furthest east loop (clockwise) in the McKenzie Trail Recreation Area. They then go south on 45 Ave. and then on to the pathway on the east side of the Red Deer River. The runners continue on the bikepath on the north side of Cronquist Drive and then at the Heritage Ranch go back on to a bikepath called the Heritage Trail. This bikepath crosses the Red Deer River and the runners follow the pathway past the Red Deer Golf Course. After going under Taylor Dr. the runners take the connecting path from the west bikepath to the east bikepath and head north. The runners again pass under 67 St. and when they get to the McKenzie Trail Recreational Area this time they go clockwise around the first loop (west) and as they leave the Recreational Area they then exit on to 67 St. They then run over the bridge to the west side of the Red Deer River and on to the pathway and head north. After recrossing the Red Deer River they run counter-clockwise on the pathway around the River Bend Golf Course and retrace their path back to 67 St. keeping ROC the entire section. The runners then stay on the pathway under 67 St. and also under 49 Ave. and Gaetz Ave. They then turn onto the connecting path (2nd time) from the west pathway to the east pathway. They then head north past where they first entered and then turn right onto the pathway that heads east and then south by Gaetz Lakes Sanctuary then on to 55 St. and to the finish on 42A Ave.
