Notice to Race Director  
Use this Certification Code in **all** public  
announcements relating to your race.

## Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

**Validation of Course** — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

*This certification expires on December 31 in the year 2017*

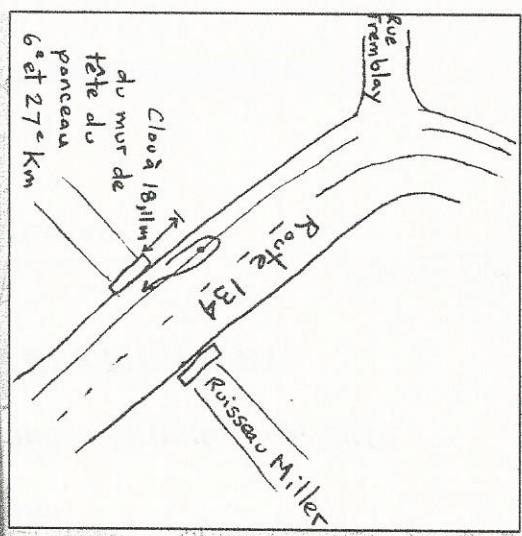

**AS NATIONALLY CERTIFIED BY:**

*Bernard Conway*  
Bernard Conway - Athletics Canada/Run Canada National Certifier  
- IAAF/AIMS Grade A Measurer  
- USATF/RRTC Final Signatory

### Marathon de la Baie des Chaleurs

Le parcours consiste en 2 aller-retour, de 6 et 4,5 km, répétés 2 fois, à partir de l'intersection de la route 134 et de la rue McIntyre suivie d'un aller simple de 195 mètres sur la rue McIntyre vers la ligne d'arrivée dans le stationnement de la salle de l'âge d'or de Charlo.

La route 134 demeure ouverte à la circulation et les coureurs doivent utiliser l'accotement du côté sud de la route. Le parcours est mesuré par la plus courte trajectoire possible en demeurant sur l'accotement de la route du côté sud. (généralement pavé sur environ 3 mètres de largeur). Pour le tronçon sur le chemin de la Pointe Goulette, le parcours est mesuré par la plus courte trajectoire possible en utilisant la pleine largeur de la rue, d'un bord de pavage à l'autre.

Mesuré le 22 septembre 2007 par Gilles Cormier et Alain Caron.

Échelle 1 : 50 000
