Race date: June 14, 2008 Course paperwork submission date: June 9, 2008
Replaces: _____ (if applicable) Certification code: AB-2008-036-BDC

Notice to Race Director
Use this Certification Code in *all* public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year 2018

AS NATIONALLY CERTIFIED BY:

Bernard Conway Date: June 19, 2008

Turn-around Points Map

Fast Trax 467.2 m Closed Loop
AB-2008-036-BDC

467.2m loop turn-around point is located 29.134 metres further up the trail in a straight line from the East tip of the grassy triangle that separates the two paths.

Appendix #3

The 10,000m turn-around point is located 65 cm to the East of the gap between the 4x12 wooden planks that line the North side of the bridge. The gap is perpendicular to the second overhead archway.

It is equidistant from the South edge of the boardwalk on the North side of the bridge and the metal railing on the south side of the bridge. This distance is 3.5 cm, and turnaround is 1.75 m from
