Notice to Race Director
Use this Certification Code in *all* public announcements relating to your race.

## Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

AS NATIONALLY CERTIFIED RY.

This certification expires on December 31 in the year 2019

From the combined start/finish line at the west side of the Mount Royal College, all corners are to be coned and marshalled.

All split locations (each km & mile out/remains) are marked with a pk nail & washer, painted, GPS referenced and measured to a permanent object.

Course Measurer: Marcel LaMontagne 403.874.1185

Course Measured: April 17, 2009
