Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

300 meter Calibration Course - Barrington Nova Scotia

Located on Highway #3 in Barrington Nova Scotia between civic numbers 2517 (Visitor Information Centre - Municipality of Barrington) and civic # 2591. The West end of the calibration course starts at a point directly in line with the center of a concrete footing of a large Dept of Transport sign. This sign is also located 5.46 meters to the left (east side) of the middle point of the driveway leading into civic address # 2591. The highway sign gives distances to Shelburne, Bridgewater and Halifax.

The East end of the 300m calibration course is located between civic addresses 2517 and 2531. It is located 7.62 meters to the left (west side) of the power pole which is in front of the Visitor Information Center property. It is also 4.72 meters to the right (east direction) of the corner of a chain link fence on the same property.

Both the East and West Ends of the 300 m calibration course are marked with anchor nails on the edge of the pavement and 30 cm in from the edge (2 nails each end) as well as orange spray paint.
