Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Yarmouth 300 Meter Calibration Course - Yarmouth Nova Scotia

The Yarmouth 300 meter is located on Herbert Street in town of Yarmouth Nova Scotia. Herbert Street runs in an east west direction. The calibration course is measured on the south side of Herbert Street between cross streets Carol Ave and Pleasant Street. It is measured approximately 40 cm out from the vertical side of the concrete curb.

The west side endpoint of the 300 m calibration course is directly across the street from the residence #28 Herbert Street. There is a steel maintenance cover in the sidewalk across the street from residence #28. There is only one. The west point of the calibration course is on a line perpendicular to the curb 2.34 meters east from the center circumference of the cover. (See sketch)

Athletics Canada Certified

NS-2011-116-BDC

The east side endpoint of the 300 m calibration course is across the street from the right edge of the lot of residence #70 Herbert Street. There is a steel maintenance cover located in the grassy area between the curb and the sidewalk. The east point of the calibration course is on a line perpendicular to the curb 6.53 meters from the center circumference of the east edge of the cover. (See sketch)

Both endpoints of the calibration course are marked with surveyor anchor nails as well as with orange spray paint.
