Replaces: _____ (if applicable) Certification code: QC-2011-020-BDC

Notice to Race Director
Use this Certification Code in **all** public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year 2021

Banque Scotia 21k de Montreal – 5k

Notes: Measured by Mark McGowan & Christine Bush
April 12, 2011

Course is run on paved surface of the Gilles Villeneuve race track on Ile Notre Dame in Montreal, QC. This is a one loop course.

Runners have run of the road through entire course with the exception of section on Cosmos Bridge and upon coming off of the bridge. These sections are coned to direct the runners.

All entrances to the track are blocked. The track is closed to the public on day of race.

Intermediate km's cannot be marked because of restrictions imposed by Parc Jean Drapeau who manage the race track.

Also there are no permanent fixtures (manholes, lampposts etc) to locate km's.

Start and Finish line is the same and marked with P-K nails.

QC-2011-020-BDC
