## Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

**Validation of Course** — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

*This certification expires on December 31 in the year 2021*

## Enlarged Version of Start / Finish Lines

The start is located in a straight line across the entire street from 15 centimetres east of third metal fence pole that lines the sidewalk to the south of the road.

The finish is located in a straight line across the entire street from the cement partition between two sidewalk sections. This is the **ONLY** partition located within the section of sidewalk that also continues south on the west side of the school.

The distance between the Finish and Start lines is 56.35 metres.
