				Race Director

Use this Certification Code in *all* public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year 2018

BMO St. Patrick's Day 5K

BC-2012-003-BDC

notes:

- The entire course is run on the pedestrian pathways of the Stanley Park Seawall.
- The certification is not valid if the course is not set out in accordance with this map.
- 3) Map and detail areas not drawn to scale
- 4) Between 1k and 2K runners must remain on the pedestrian portion of the Seawall path and not impede on the inner cycling path. This will be controlled by volunteers as per the Race Director.
- 5) Seawall paths are not indicated on this map
