Notice to Race Director
Use this Certification Code in *all* public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year 2021

Notes:

1. For the certification to be valid, the route must be laid out in accordance with this map and the runners must be constrained to the portion of the roadway indicated on this map.
2. The map is not drawn to scale.
3. From the start to Riverside just past Marshal Road the roads are closed to traffic and runners have full use of the right half of the roadway. Returning runners have full use of the right half of the roadway from Marshal to the finish line.
4. Just past Marshal Road at 3.8km outbound runners move to the left side. From this point until runners return to Marshal Road at 38.7km they must stay to the right or left (as indicated on the map) and cones must be placed about 1m from the edge of the pavement.
5. Were runners cross the roads as noted on the map they must cross at an angle of 45° or less (ie. a longer distance).

Start and Finish Detail

The start is 7.55m east of the power pole at the north-east corner of the school (the pole nearest the road). The finish is exactly at the firehydrant across from Willowose Street. The finish and start are approximately 78m apart.
