Certification Expires Dec. 31/2024

Notes:

- 1. The race must be laid out as detailed in this map or the certification is void.
- 2. The route is measured using the full right lane for 0.5 km and then the shoulder, or where the the shoulder is less than 1.5 m, the right 1.5 m of the roadway.
- 3. Runners must constrained to the right side of the road from the start through to the crossover, at Industrial Way (at about 8.7 km). From there runners must be constrained to the left side. This can be easily done by using traffic cones on the curves.
