Measurer name Tom Reddon
Measurement date Oct. 8/2015 Expiry date Dec. 31/2024

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

2015 PERTH-ANDOVER-THE DAM RUN 5KM COURSE MAP

Course Constraints:

Runners line up in front of the River Valley Civic Center at the Start/Finish line. Running north they turn right onto School Street then right again onto West Riverside Drive heading south staying on the right side of the road. As runners approach the bridge they move into the left turn lane turning then onto the bridge. Runners stay to the right side of the east bound lane as they cross the bridge. At the end of the bridge runners turn right heading south along East Riverside Drive staying to the right side of the road. They continue along East Riverside Drive until they approach the turn-around point just past the fire hydrant on the right. Once runners have turned around they run the same route back to the Start/Finish line staying on the left side of the road. Runners will have to watch out for other runners as they run the same out and back course.
