### Course Information

Start elevation 577 m Finish elevation 577 m  
Elevation change 0 m/km Percent separation 0

### Measurer Information

Measurer name Milos Kostic Regina myodak@gmail.com 306-585-3468  
Measurement date April 28/2017 Expiry date Dec. 31/2026

### Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

### Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

### As Nationally Certified by

# Wascana 4 km Loop

The course is a closed 4 km loop clockwise around the Wascana Lake between Albert and Broad Streets in Regina, Saskatchewan. All turns are made to the right in order to follow the path along the shore. The Start/Finish line is in the Wascana Marina parking lot SE of the lake marked by a nail driven into a joint gap in the curb as shown in the Start/Finish detail in the course map

Athletics Canada Certified  
SK-2017-031-BDC  
Certification Expires Dec. 31/2026

The straight curb on the N side of the Start/Finish line curves on its W and E sides; the line is at the joint between the E curve and the straight section.
