Start elevation 32 m Finish elevation 7 m
Elevation change -2.5 Percent separation 13

Measurer Information

Measurer name Paul Adams & Geoffrey Buttner
Measurement date March 18/2018 Expiry date Dec. 31/2023

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

As Nationally Certified by

Vancouver Sun Run 2018 - April 22, 2018

Measured by: Paul Adams, Grade "A" and
Geoffrey Buttner, Grade "C"

Athletics Canada Certified
BC-2014-140a-BDC
Certification Expires Dec. 31/2023

Notes:

This event is a very large 10km run with over 40,000 participants. Throughout the course runners are allowed full use of both sides of the roadway. The shortest possible route was measured. The course was remeasured in 2010 and 2015. Due to the addition of a separated bike lane on Burrard Bridge the course was adjusted in 2018, but not completely remeasured.
