HALF MARATHON

DESCRIPTION

From the Start the runners run south on Esplanade which is completely closed to traffic until crossing Dorchester St where only the right lane is closed to traffic. The runners stay right and also stay right once they cross Townsend St. They stay in the right lane next to the curb along Esplanade and Kings Rd. From Kings Rd they turn right onto Lewis Dr which joins Harbourview Dr and they turn right on Keltic Drive and cross the Sydney River Trestle Bridge (on the north side) turning right almost immediately over to the west side of Westmount Road and they run north several Km until they turn left onto Midgeley Drive into the parking lot of the Royal Canadian Legion. They turn and follow the same route, same lanes back to the Start Line with one exception. On the return from Lewis Rd where they turn left onto Kings Road they follow the lane out next to the yellow center line up until Townsend where they then veer over to the left lane of Esplanade back to the Start line
