

ATHLETICS CANADA ROAD RACE MEASUREMENT CERTIFICATE

Race Information

Name of the course		
Certificate number	Distance _	Race date
City		Province
Race contact name		Race contact email
Course Information		
Start elevation		Finish elevation
Elevation change		Percent separation
Measurer Information		
Measurer name		
Measurement date		Expiry date
Official Notice		
Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council . If any changes are made to the course, this certification becomes void, and the course must then be recertified.		
Validation of Course In the event a National Open Record is set on this course, or at the discretion of Athletics Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.
