Course Information		
Start elevation		Finish elevation
Elevation change		Percent separation
Measurer Information		
Measurer name		
Measurement date		Expiry date
Official Notice Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably		
accurate in measurement according to the standards adopted by the Road Running Technical Council . If any changes are made to the course, this certification becomes void, and the course must then be recertified.		
Validation of Course		
In the event a National Open Record is set on this course, or at the discretion of Athletics Canada , a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.		
As Nationally Certified by

UBC Great Trek 2022 Route Half Marathon and 10 km University of British Columbia

Athletics Canada Certified BC-2022-036-PTBA

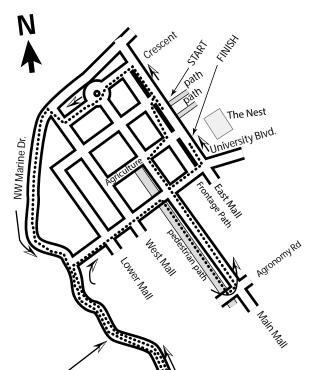

Certification Expires 2031-12-31

Athletics Canada Certified BC-2022-037-PTBA

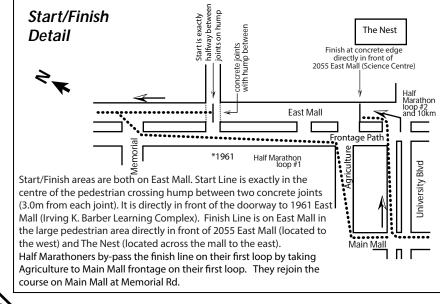

Certification Expires 2031-12-31

Notes 10 km is one lap Half M arathon is two laps

- 1. Map is not to scale.
- 2. For the certificate to be valid the course must be laid out as indicated on this map.
- 3. The Half Marathon is 2 loops of the 10km route plus the added distance between Turn T10 and Turn TH. On loop #1 turn at Turn TH and on loop #2 turn at Turn T10 (the 10 km turn).
- 4. Measured by: Geoffrey Buttner, AIMS/IAAF Grade B Measurer.

Restrictions
1. On NW Marine from University
Blvd. to Old Marine Drive
southbound runners are restricted to
the southbound traffic lanes and
northbound runners are restricted to
the northbound lanes.

2. From the north exit of Old Marine Dr. to the turnaround points the runners will be restricted to the two southbound lanes of SW Marine Dr. 3. On SW Marine from the south exit point of Old Marine Dr. to the

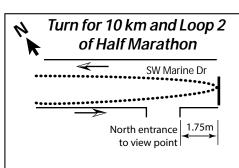

turnarounds the runners have full access to both southbound lanes and paved shoulder. Southbound runners use the curb lane and paved shoulder and returning northbound runners use the lane closest to the grassy center median.

Turn for Loop 1
of Half Marathon
View Point
Ahead Sign
Northbound lane

SW Marine Dr

South exit to
view point

The turn for the half marathon loop is 17.5 meters south of a road sign indicating "View Point Ahead". Note that this road sign is across the grassy median on the northbound traffic side.

The 10 km turn and loop 2 turn for the half marathon is placed in the center of the road 1.75 meters south of the start of the raised curb edge which marks the beginning of the southern corner of the north entrance to the view point.
