ROAD RACE MEASUREMENT CERTIFICATE

Race Information

Name of the course _____
Certificate number _____ Distance _____ Race date _____
City _____ Province _____
Race contact name _____ Race contact email _____

Course Information

Start elevation _____ Finish elevation _____
Elevation change _____ Percent separation _____

Measurer Information

Measurer name _____
Measurement date _____ Expiry date _____

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

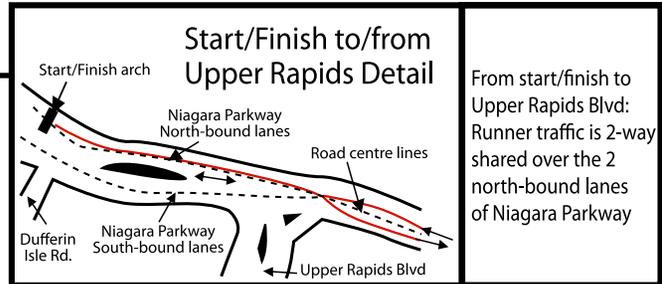

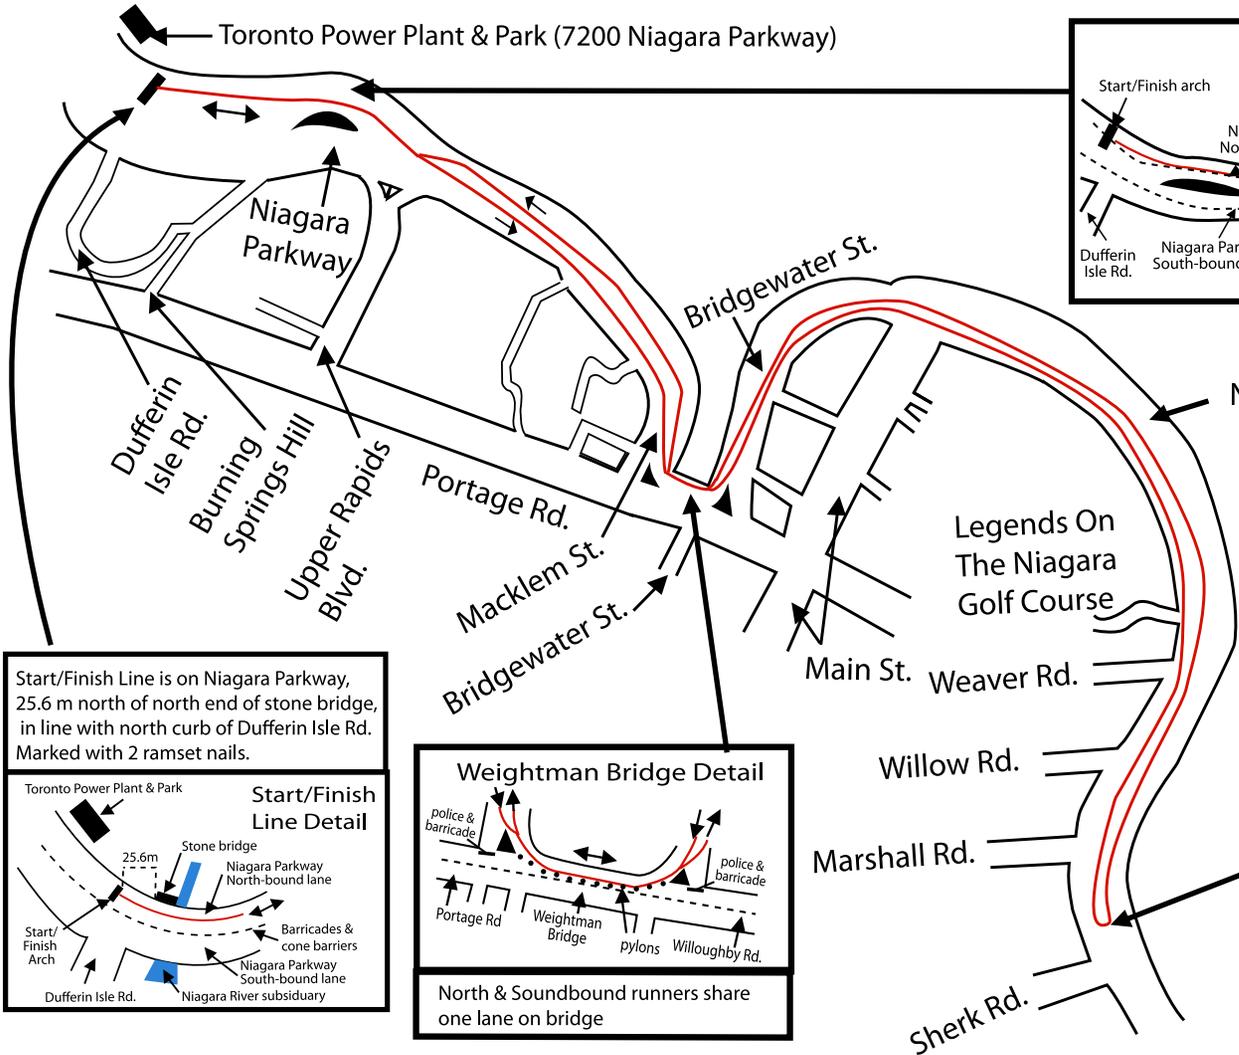

As Nationally Certified by

 Paul T.B. Adams

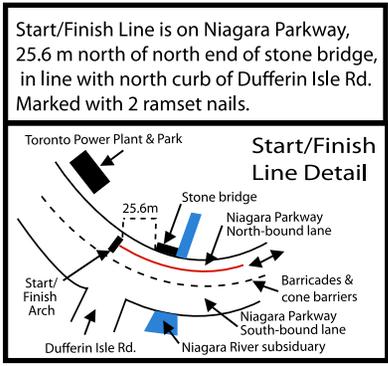

Signature of certifier _____ Date _____

Any inquiries regarding this certificate should be directed to coursemeasurement@athletics.ca

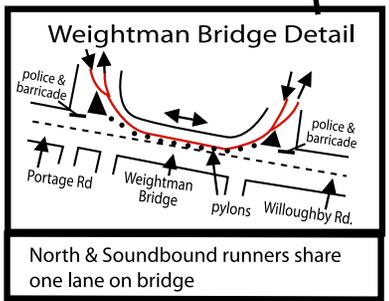

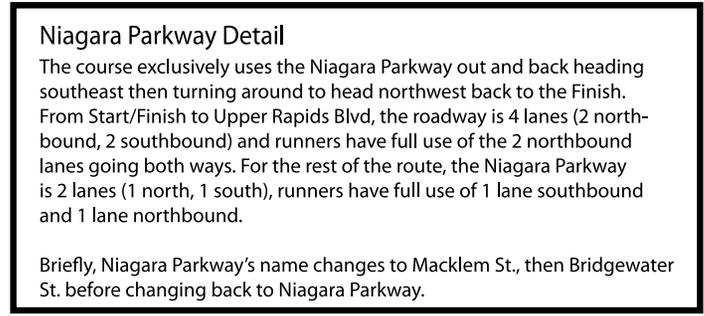

From start/finish to Upper Rapids Blvd: Runner traffic is 2-way shared over the 2 north-bound lanes of Niagara Parkway

Start/Finish Line is on Niagara Parkway, 25.6 m north of north end of stone bridge, in line with north curb of Dufferin Isle Rd. Marked with 2 ramset nails.

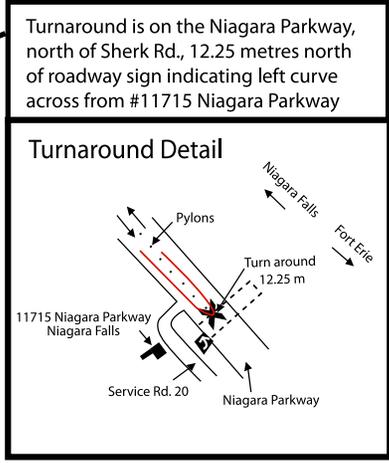

North & Southbound runners share one lane on bridge

Niagara Parkway Detail
The course exclusively uses the Niagara Parkway out and back heading southeast then turning around to head northwest back to the Finish. From Start/Finish to Upper Rapids Blvd, the roadway is 4 lanes (2 northbound, 2 southbound) and runners have full use of the 2 northbound lanes going both ways. For the rest of the route, the Niagara Parkway is 2 lanes (1 north, 1 south), runners have full use of 1 lane southbound and 1 lane northbound.

Briefly, Niagara Parkway's name changes to Macklem St., then Bridgewater St. before changing back to Niagara Parkway.

Turnaround is on the Niagara Parkway, north of SHERK Rd., 12.25 metres north of roadway sign indicating left curve across from #11715 Niagara Parkway
