### Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course which results in a course that is less than the stated distance, this certification becomes void, and the course must then be re-certified.

### Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

## **Notes:**

Map is not drawn to scale

Runners have full use of the road, except:

- 1 On SW Marine Drive from the north end of Old Marine to the Kullahun runners are on the north side when going southeast and on the south side when going northwest.
- 2 From Kullahun to the turnaround runners are restricted to the left half of the eastbound lanes in both directions.
- 2 On NW Marine Drive runners move to the left side of the median before turning at Chancellor (they are following the shortest possible route)
- 3 On 4th Avenue runners are restricted to the two north lanes (they are following the shortest possible route)
- 4 On Cornwall from Macdonald to Arbutus runners are restricted to the westbound traffic lanes.
