Measurer Information

Measurer name John Halvorsen halvorsen@videotron.ca
Measurement date April 16, 2023 Expiry date December 31, 2032

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Sault Ste. Marie Marathon (Community Strong Festival)

Notes:

- Blue with dashed line = bike path or sidewalk
- Solid Blue = road, runners always limited by cones to car width side lane per following descriptions
- From Foster (at start) runners pick up Hub trail and stay on walking (not bike) path cutting onto bike path after the John Rowsell Monument (2nd cut back)
- Along Bay, Queen and Foster runners are always on the south side bike trail/lane, both directions of travel
- On Pine runners restricted to the west side of road
- On Shore Drive runners restricted to south side, and in marina parking they can cut using shortest path to pick up the trail into Bellevue Park
- Topsail Island is run in both directions except on the marathon second loop where runners skip the island when returning to finish (west bound). See detail
- On Lake runners are restricted to east side
- At Queen and Boundary runners make a 90 degree turn onto Boundary into coned lane on SW side of Boundary – both directions
- On Louise and Centennial runners have access to complete road
- At Bay and St Mary's Dr runners immediately cross over to west side and use coned lane on St. Mary's until able to cut onto bike path/boardwalk
- Along St Mary's River Dr runners use south side path/boardwalk and continue onto Hub trail to City Hall Finish
