Certificate number _____ Distance _____ Race date _____

City _____ Province _____

Race contact name _____ Race contact email _____

Course Information

Start elevation _____ Finish elevation _____

Elevation change (m/km) _____ Percent separation _____

Measurer Information

Measurer name _____

Measurement date _____ Expiry date _____

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course which results in a course that is less than the stated distance, this certification becomes void, and the course must then be re-certified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Pipeline Road Calibration Stanley Park, Vancouver, BC

Measured by: Paul Adams, AIMS/IAAF Grade "A" Measurer
assisted by: Mitch Hudson

Athletics Canada Certified
BC-2024-037

The south pin is located about 15.6m north of the north edge of the wooden bridge on Pipeline road (ie from the edge of the wood). It is 1.3m from the edge of the pavement.

This cal course was set up in 2008, Athletics Canada Certified BC-2008-101-BDC, but in 2024 the north pin could not be located so the course was remeasured and the pin replaced.

The north pin is located 7.5m north of a large Hemlock tree stump. The pin is approximately 95m south of the intersection with Stanley Park Drive.
