Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Run Your Ice Off 5km

Start/finish line is in line with the brown light post near the grey utility box on the paved pathway leading to the Victoria Park skatepark.

The entire course runs out and back along the South Meewasin Trail on the West side of the South Saskatchewan River. Runners stay to their right on the course.

NORTH

Turn around point (2.5km) is north of the vehicle gate on the South Meewasin Trail. The nail is in the ground 40cm north of the pavement change in between the center metal posts. The posts could also be used as the turn around point given their proximity, adding only a minor distance to the course length.
