City _____ Province _____

Race contact name _____ Race contact email _____

Course Information

Start elevation _____ Finish elevation _____

Elevation change _____ Percent separation _____

Measurer Information

Measurer name _____

Measurement date _____ Expiry date _____

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Canada Day Classic 10K

Athletics Canada Certified

BC-2026-014-PTBA

Certification Expires 2035-12-31

Map page 1 of 2

Notes:

- The course is an out-and-back course set on the Traboulay PoCo Trail south from Gates Park to Pitt River Rd. From there it goes underneath Pitt River Rd at the Coquitlam River and joins the south sidewalk westbound until the Sheep Paddocks Trail. This trail is taken southbound to the Millennium Bridge. It crosses this bridge over the Coquitlam River followed by an immediate left turn to the north back on to the Traboulay PoCo Trail. Lastly, it takes the first right hand on to the path where the turnaround point is ahead.
- The course was measured on the asphalt and gravel paths using the shortest possible tangents, while adhering to the 30 cm path edge rule.
- The certification is not valid if the course is not set out in accordance with this map.
- Map and detail areas not drawn to scale.
- Measured by Geoffrey Buttner, Grade B Measurer.

Start/Finish Detail

The Start/Finish Line is just south of the Gates Park public washrooms between grass fields 2 and 3 in Gates Park. It is at the south end of the brick-paved open space at the point where the bricked surface meets the narrower asphalt path leading up to the Traboulay PoCo Trail.

Pitt River Rd. detail

On the outbound segment, the runners exit the Traboulay PoCo Trail at the parking lot adjacent to Pitt River Rd east of the Coquitlam River. They proceed across the lot and back on to the path on the west end of the parking lot and wrap down underneath the Pitt River Rd bridge. They come up on the south side of Pitt River Rd and head eastbound on the pedestrian path. Upon reaching the sidewalk they make a hard turn back to the west and run along the sidewalk westbound across the bridge in the direction of Sheep Paddocks Trail. The course is bi-directional and they repeat these steps going in the opposite direction heading back toward the finish line.

10K turnaround detail

The 10K turnaround point is on the Traboulay PoCo Trail. It is east of the Millennium Bridge and is on the first path that is a turn to the right after the initial left hand turn off of the bridge. It is located under the only large tree covering the path. It is 4.1 meters west of the eastern edge of a concrete barrier adjacent to the trail on the north edge of the path.
