Course Information

Start elevation 361 m Finish elevation 361 m

Elevation change 0 m/km Percent separation 0%

Measurer Information

Measurer name Chris Walton Email: operations@manitobamarathon.mb.ca

Measurement date 2026-09-27 Expiry date 2035-12-31

Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

As Nationally Certified by

 Paul T.B. Adams 2026-09-29

Signature of certifier Date
