### Course Information

Start elevation 33 m Finish elevation 33 m

Elevation change 0 m/km Percent separation 0.35%

### Measurer Information

Measurer name Mary Kulik, immyonlyfan@hotmail.com

Measurement date April 20, 2026 Expiry date December 31, 2035

## Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

### Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

Berwick Gala Days 5 Mile Road Race

Berwick, Nova Scotia

The route is entirely open to traffic and runners stay on the left side of all streets facing oncoming traffic unless otherwise directed by traffic control. Runners are directed onto the right side of Commercial Street for a short distance between Orchard and South. The course was measured exactly where the runners run, including this segment; though they may choose the sidewalk here.

The race follows two loops. The first is just under 4 miles in length and is marked with arrows with tails. The second loop is approximately 1 mile in length and is marked with dashes and arrows that do not have tails.

The Start Line is an imaginary line that is perpendicular to the road and extends from the westmost edge of the shared driveway between 150 and 152 Union Street. It is marked with PK nails and washers that are spraypainted orange on both sides of the road. There is an orange "S" by the nail nearest the south side.

From the start, the runners run southwest to Foster St. and turn left. They continue along Foster Street, which becomes Brown when it reaches Front. The runners continue along Brown then turn left onto Orchard and left onto Commercial (which is the ONLY segment where they will be running on the right side of the road) and then right onto South St. The runners continue down South, turn left onto Robinson, then left onto Hayden, then right onto Maple Avenue. Next they turn right onto Cottage Street, then left onto Main St. They pass Maple and Commercial then turn left onto Foster St. When they reach Union St., the first loop is complete. The second loop continues along Foster, turns left onto Mill and then crosses Commercial St and continues down South Street. The runners turn left onto Maple Avenue, then left again onto Union Street, crossing Commercial Street for the last time and straight up to the Finish Line.

The Finish Line is an imaginary line that is perpendicular to the road and extends from a point that is exactly 10.3m southeast from the center of a telephone pole marked F156 in front of apartment building number 156 Union Street. It is marked with PK nails and washers that are spraypainted orange on both sides of the road. There is an orange "F" by the nail nearest the south side.
